Headteacher Update

Dear Parents/Carers

Our sports teams have had some impressive results with both the Netball and Girls' Football teams winning by considerable margins against other Colchester schools in their league. The Girls' Football team have now won their league and we are waiting to see if the Netball team is top of theirs. Well done to all the children involved; a big thank you to our coaching staff, especially Mr Armstrong for his hard work and our thanks also to the parents who come along to support at the matches.

Our annual Poetry competition will take place in the week beginning 3rd June. Please ensure your child has the opportunity to look at some poetry books to choose their poem in the upcoming weeks. We will open the week with a performance from guest Poet Kimba on Monday 3rd June and his book, 'Write the Wrongs' will be on sale for £5.99 to buy online (letter will be sent out electronically) or through the school. We are looking forward to seeing some exciting poetry performances during this week.

We are enjoying working more collaboratively with Montgomery Infant school and can already see that aligning our curriculums and pooling our resources is beneficial to the children. Following the local elections, there will be a consultation process to find out parental views on any collaboration and answer any questions that may arise. Further details will be sent out in the near future.

On Wednesday 22nd May we will be celebrating National Numeracy day in school with a maths themed assembly and a special number dessert with our school lunch that day.

We will be remembering the 80th anniversary of the D Day at the Colchester commemoration service that will be held on Thursday 6th June 2024, at 1230 hrs, at the city centre war memorial. Six children from the Infants and Juniors will join us to lay wreaths in memory of the bravery and sacrifice of those who fought there. Parents are welcome to attend the service in Colchester on that day.
